A HANDS-ON TRAINING EXPERIENCE FROM THE GROUND UP

SEPTEMBER 28, 2026

CEDAR CITY HALL

Heritage Center
105 N 100 E, Room 1
Cedar City, UT 84720

OR

SEPTEMBER 29, 2026

LAYTON CITY HALL

437 Wasatch Dr
Layton, UT 84041

This course offers a hands-on training opportunity that encompasses all trades from the ground up, covering plumbing, mechanical, electrical work, and the relevant building codes in the industry. It's an excellent chance for new inspectors to ask questions, while experienced professionals will also have the opportunity to share their insights regarding single family construction.

WHAT YOU'LL LEARN

From Foundation
to Final Inspection
